**TEEN TITANS:
BEAST BOY TP**written by **KAMI GARCIA**art and cover by **GABRIEL PICOLO**

Author Kami Garcia and artist Gabriel Picolo, the creative duo behind the *New York Times*, *USA Today*, and *Publishers Weekly* bestseller *Teen Titans: Raven*, take you on a journey of self-discovery and acceptance, while reminding us the value of true friendship—especially when life gets wild.

Garfield Logan has spent his entire life being overlooked. Even in a small town like Eden, Georgia, the 17-year-old with green streaks in his hair can't find a way to stand out—and the clock is ticking. Senior year is almost over. If Gar doesn't find a way to impress the social elite at Bull Creek High School, he will never know what it's like to matter. Gar's best friends, Stella and Tank, can't understand why he cares what other people think, and they miss their funny, pizza-loving, video game-obsessed best friend.

Then Gar accepts a wild dare out of the blue. It impresses the popular kids, and his social status soars. But other things are changing, too. Gar grows six inches overnight. His voice drops, and suddenly, he's stronger and faster. He's finally getting everything he wanted, but his new-found popularity comes at a price. Gar has to work harder to impress his new friends. The dares keep getting bigger, and the stakes keep getting higher.

When Gar realizes the extent of his physical changes, he has to dig deep and face the truth about himself—and the people who truly matter—before his life spirals out of control.

PRAISE FOR *TEEN TITANS: RAVEN*

"Writer Kami Garcia and artist Gabriel Picolo have created a new and different look for Raven, yet she still shares the DNA of the mystical heroine created in 1980 by me and artist George Pérez. Explore and enjoy!" –**Marv Wolfman**

"Garcia's ambitious origin story of a Teen Titan is funny and unequivocally feminist. Picolo's gorgeous illustrations are dynamic and nuanced. Lovers of superheroes will appreciate this complex origin story." –**School Library Journal**

"Well-paced and thrilling; readers will fly high with Raven's tale." –**Kirkus Reviews**

"Garcia's exploration of the connection between memory and identity offers a promising entrée to the *Teen Titans* series... Picolo's spare, effective use of color and slightly edgy art helps situate the story in a supernaturally tinged world of high-school drama." –**Publishers Weekly**

"As someone who spends half her life inside Rachel's head... it was impressive to see her so effortlessly come to life on the page! If you love Raven, this is a must-read!" –**Teagan Croft**, actress portraying Raven in the DC Universe series *Titans*

"*Teen Titans: Raven* transformed the beloved superhero into a fashionable young teen who also saves the day!" –**Teen Vogue**

"Raven might have a...questionable background, but this colorful twist on her story made ME want to fly!" –**Nic Stone**, *New York Times* bestselling author of *Dear Martin*

"Riveting from start to finish. Full of mystery, fierce friendship, and romance that might not be quite what it seems. Kami Garcia shows off her stellar story telling skills in this fantastic first installment of *Teen Titans: Raven*, you won't want to stop." –**Stephanie Garber**, #1 *New York Times* bestselling author of the *Caraval* series

"Kami Garcia's *Raven* shows us that family bonds are made by more than blood, and that the ties of sisterhood are more powerful than the scariest demon. It's the heart of this kickass 'girl power' superhero book that keeps you reading and rereading and desperate for the next installment." –**Ellen Oh**, author of the *Prophecy* series, cofounder and president of We Need Diverse Books

"I continue to be inspired by Kami Garcia's authenticity and keen ability to create raw and empowering stories full of strength, truth, and love." –**Jennifer Niven**, *New York Times* bestselling author of *All the Bright Places* and *Holding Up the Universe*

MORGAN BEEM

#1 *New York Times* bestselling author Maggie Stiefvater (the Raven Cycle series) and artist Morgan Beem unearth the primal power of memory and how it twists the bond between two brothers.

Twins Alec and Walker Holland have a reputation around town. One is quiet and the other is the life of any party, but the two are inseparable. For their last summer before college, Alec and Walker leave the city to live with their rural cousins, where they find that the swamp holds far darker depths than they could have imagined.

While Walker carves their names into the new social scene, Alec recedes into a summer-school laboratory, slowly losing himself to a deep, dark experiment. This season, both brothers must confront truths, ancient and familial, and as their lives diverge, tensions increase and dormant memories claw to the surface.

Swamp Thing: Twin Branches is a story of shadows, both literal and imagined—and those that take form and haunt us.

In this sequel to the bestselling 2018 original graphic novel, Hal Jordan and John Stewart must team up to save the galaxy from an invading force!

Manhunters, alien races, rings of power—it's a lot for the people of Earth to absorb. Especially when an interplanetary incident forces their protector, Hal Jordan, to leave on a rescue mission that results in the discovery that there's a new player in the galaxy: Yellow Lanterns!

While they seem a benign force for peace, Jordan can't get comfortable with how much power they wield, or their bizarre, lockstep behavior. When fellow Earthling John Stewart ends up with a yellow ring, he and Hal must work together to confront the being who destroyed the original Green Lantern Corps—the last surviving Guardian.

Co-writers Corinna Bechko and Gabriel Hardman feature two of the most famous DC characters, Hal Jordan and John Stewart, like you've never seen them before!
