Mary Bromfield has always struggled to determine who she is outside her family...kinda hard to do when you're all superheroes! Now, after Billy Batson's heroic sacrifice, the power of Shazam has vanished, and she's been left powerless. Most heroes would be distraught, but not Mary. It's finally time for a voyage of self-discovery as she prepares for her freshman year of college and a civilian life. But nothing is ever truly normal for this young hero, because she's just been chosen as the new champion of Shazam! (At least according to a talking rabbit sent by her estranged brother Billy.) Will she embrace the power? Or will it die along with this world's hope of survival against the mysterious magical forces waiting to take control? Find out in Mary's first solo miniseries, brought to you by up-and-coming comics writer Josie Campbell (*Future State: Green Lantern*) and fan-favorite Shazam artist Evan "Doc" Shaner (*Strange Adventures*, *Convergence: Shazam!*)!

WONDER WOMAN: THE GOLDEN AGE OMNIBUS VOL. 5

The Golden Age of Wonder Woman is continued in this omnibus collecting stories from the late 1940s and early 1950s! Beautiful as Aphrodite, wise as Athena, and swifter than Mercury, Princess Diana of Themyscira refuses to believe that anyone in a democracy is unimportant, or not worth saving! Join the classic heroine as she takes on villains and thrills in the name of justice. This omnibus collects stories from *Wonder Woman* #35-47 and *Sensation Comics* #90-104.
